

# Think global, act local

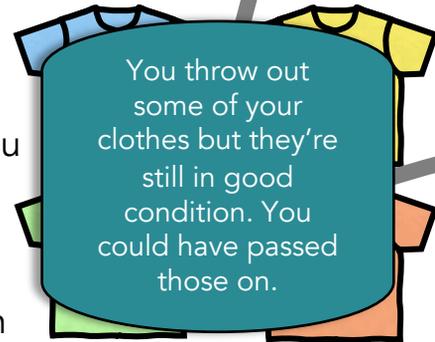

Our **environment** is everything around us. It includes plants, animals, humans, and the air that we breathe. It is all affected by climate change and deforestation.

The word 'global' means the world, including where you live and the Lebiale Highlands. Things that we do locally (at our homes) can make a difference globally.

How amazing that small changes we make at home can reduce the effects of climate change on Lebiale Highlands!

Recycled rubbish used to make crafts for Gorilla Club? Go you!

You throw out some of your clothes but they're still in good condition. You could have passed those on.

You threw away the food that you didn't use instead of saving it for leftovers.

You donated your old toys to a charity shop for another child to love. You picked up some new ones for yourself while you were there. Result!

You remembered to turn off the tap while brushing your teeth. A good tip for saving water.

You planted a new plant in your window box. Try your best to look after it.

You are asked to sort out the recycling and throw it all in the rubbish bin. Not cool.

You're out for dinner and chose the vegetarian option. It was delicious.

You chose plastic straws instead of paper ones.

You took a tote bag to go shopping with your friends. A great way to reduce plastic.

Turning up the thermostat instead of putting on a jumper?

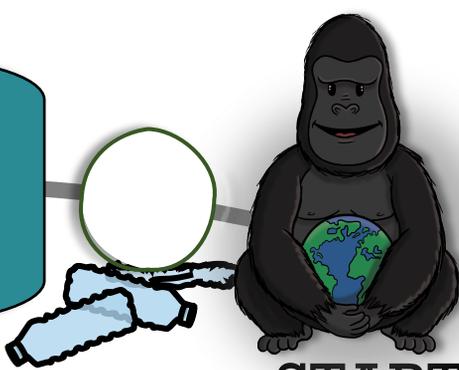

You checked out a book from the school library instead of buying it from new.

You challenged your friends to find the most eco-friendly way to travel to school.

You use a different plastic bottle everyday. Why not buy a reusable one?

**START**

You made sure the lights were turned off when you didn't need them.

Nice new notepad! It's made from old recycled paper.

You encouraged a relative to buy furniture that was FCS Certified

Wow, that pencil is tiny! Well done for using it until it was a stub.

You used both sides of your sheets of paper. How resourceful.

The computer was left on 'Sleep' overnight when you should have switched it off.

You ask for a lift to school even though it's close enough to walk.

Those bananas you chose at the shop were Fairtrade. Good job!

Try singing fewer songs in the shower, you were in there ages!

You don't reuse your plastic bags & get new ones at every shop.

You dropped some litter in the park and ignored it.

You shared a lift home with some friends from afterschool practice. This saved multiple car journeys.

**CHALLENGE:** See who can make it from Start to Finish first!

- Use anything you like as counters, or use virtual ones if using a tablet.
- Take turns to roll a dice (There are online versions if you do not have one to hand)
- On your turn, move the number of spaces that you rolled
- If you land on a **green** space, you may move 1 extra space. You did a great small change! This is the end of your turn.
- If you land on a **blue** space, you must move backwards 2 spaces. This is an action you could try and improve! This is the end of your turn.

**FINISH**
