

# Species: unknown

Combine your knowledge with your creativity. We want you to design your own animal to join the Lebialem Life team. Think about adaptations we have discussed so far. Try and have a scientific reason for the creative choices you make. Use the Lebialem Life card template over the page.

Where is it on the IUCN red list?

Try and give us as much detail about how it is adapted to Lebialem Life

Go back to the rules of the game page to remind you how these categories were created.

Draw your new animal in this blank space on the big template

Be sure to write its name here

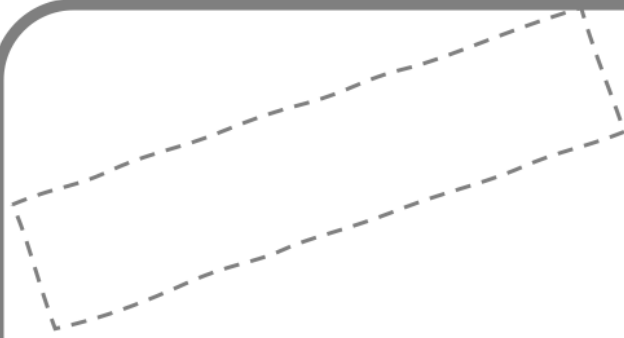

AVERAGE LIFE SPAN	
RARITY	
WEIGHT (KG)	
NOISE LEVEL	
LEBIALEM RATING	

FOREST FACT!

Don't forget to include a fun fact!

We would love to see the newest members of the Lebialem Life team. Send us your work to feature in our e-letter!

<b>AVERAGE LIFE SPAN</b>	
<b>RARITY</b>	
<b>WEIGHT (KG)</b>
